

**Journal of the Malaysian Society of Applied Biology**

**Seasonal succession in the main Cladoceran assemblage of a crater-lake in Japan**

*Razak, S.A. and Saisho, T.*

| [Abstract & References](#) | pp. 1 |

**Genetic relatedness among five species of *Mystus* and *Tachysurus***

*Leesanga, S., Siraj, S.S., Daud, S.K., Tan S.G., Sharr, A.H. and Komanpririn, K.*

| [Abstract & References](#) | pp. 9 |

**Antifeedant activity of solvent extracts of 50 plants on *Spodoptera litura* Fab.**

**(Lepidoptera: Noctuidae) and**

***Helicoverpa armigera***

**Hubner (Lepidoptera: Noctuidae)**

*Raja, N., Elumalai, K., Jayakumar, M., Jeyasankar, A. and Ignacimuthu, 5.*

| [Abstract & References](#) | pp. 19 |

**Probable toxin producer responsible for the first occurrence of paralytic shellfish poisoning on the east coast of Peninsular Malaysia**

*Usup, G., Pin, L.C., Teen, L.P. and Ahmad, A.*

| [Abstract & References](#) | pp. 29 |

**Condition index of green-lipped mussel *Perna viridis* (Linnaeus) as a potential physiological indicator of ecotoxicological effects of heavy metals (Cd and Pb)**

*Yap, C.K., Ismail, A. and Tan, S.G.*

| [Abstract & References](#) | pp. 37 |

**Analyses of intracellular and extracellular isoenzymes of *Ganoderma* isolates from infected oil palm and coconut stumps**

*Latiffah, Z., Tan, S.G., Abdullah, F., Harikrishna, K. and Ho, Y.W.*

| [Abstract & References](#) | pp. 47 |

**Reproductive biology of the male *Cynopterus brachyotis* in a fragmented forest and an agricultural habitat in Peninsular Malaysia**

Wong, C.H., Toy, T.W., Marina, M.T., Zubaid, A. and Kamis, A.B.

| [Abstract & References](#) | pp. 57 |

**Above ground biomass estimation and distribution of Annonaceae in a 50 hectare plot at Pasoh Forest Reserve, Negeri Sembilan, Malaysia**

Nizam, M.S., Nujhan, A. and Mat-Salleh, K.

| [Abstract & References](#) | pp. 63 |

**Diversity, abundance and species similarity of Braconid wasps in logged and fragmented forests**

Idris, A.B., Hasmawati, Z., Nor-Zaneedarwarty, N. and Nur-Azura, A.

| [Abstract & References](#) | pp. 71 |

**Histamine levels in some fishes sold at the Bandar Baru Bangi night market.**

Usup, G., You, S.T.C., Pin, L.C. and Ahmad, A.

| [Abstract & References](#) | pp. 79 |

**Short Communication**

**Annual changes in testes mass in *Hipposideros larvatus*, *Cynopterus brachyotis* and *C. horsfieldi***

**(Chiroptera) from Peninsular Malaysia**

Marina, M.T., Wong, C.H., Toy, T.W., Zubaid, A. and Kamis, A.B.

| pp. 0 |

**Developmental stages and life cycle of *Trypanosoma evansi* in mice**

Zainal-Abidin, B.A.H. and Zuraini, I.

| pp. 0 |

**Development of RAPD Marker for identification of Dokong (*Lansium domesticum* Corr.)  
Types**

Song, B.K., Mahani, M.C., Wickneswari, R., Normah, M.N., Kamariah, M. and Norlia, Y.

| pp. 0 |
