Review Article

Improving the economic value of rice bran oil

Tiwari, G. J., Aumeeruddy, A. and Rahman, S.

| [Abstract & References](#) | [Full Text PDF](#) (201 KB)| pp. 1 |

Research Articles

Aggressiveness of *Ganoderma boninense* isolates on the vegetative growth of oil palm (

Elaeis guineensis

) seedling at different age

Goh, Y.K., Ng, F.W., Kok, S.M., Goh, Y.K. and Goh, K.J.

| [Abstract & References](#) | [Full Text PDF](#) (239 KB)| pp. 9|

A preliminary flora survey in Gunung Kajang, Pulau Tioman, Pahang Darul Makmur, Malaysia

Mohd Norfaizal, G., Masrom, H., Omar, Y. and Aishah-Farhana, S.

| [Abstract & References](#) | [Full Text PDF](#) (1012 KB)| pp. 17 |

Asymbiotic seed germination and seedling development of *Vanda dearie*

Roslina, J., Devina, D., Hartinie, M., Sharon, J.S. and Jualang, A.G.

| [Abstract & References](#) | [Full Text PDF](#) (881 KB)| pp. 25 |

Survivin expression in colorectal: real time polymerase chain reaction and correlation with clinicopathological features

Said Saleh, Alfred King-Yin Lam and Yik-Hong Ho

| [Abstract & References](#) | [Full Text PDF](#) (103 KB)| pp. 35 |

Cerapan mikroskopi dan analisis sitometri *Streptococcus mutans* yang ditindakkan dengan ekstrak batang

Melastoma malabathricum

L.

Rohazila M.H., Nazlina I. and Yaacob W.A.

| [Abstract & References](#) | [Full Text PDF](#) (682 KB)| pp. 41 |

Distribution of recent Ostracoda in offshore sediment of selected stations in Sulu Sea, Sabah

Noraswana, N.F., Ramlan, O. and Norashikin, S.

| [Abstract & References](#) | [Full Text PDF](#) (405 KB)| pp. 49 |

Hatching success and nesting depth of *Chelonia mydas* (Family: Cheloniidae) in eggs relocation programme at Penang Island, Peninsular Malaysia.

Sarahaizad, M.S. and Shahrul-Anuar, M.S.

| [Abstract & References](#) | [Full Text PDF](#) (150 KB)| pp. 59 |

Comparison of RNA extraction methods for transcript analysis from the Psychrophilic yeast, *Glaciozyma antarctica*

Izwan, B., Najad-Zamirah, Z., Farah-Diba A.B., Nor-Muhammad, M., Mohd-Nazalan M.N, Rosli, M.I., Abdul-Munir A.M.

| [Abstract & References](#) | [Full Text PDF](#) (346 KB)| pp. 71 |

Estimation of genetic diversity and identification of potential rice lines for two-line hybrid based on microsatellite marker and phenotypic trait analysis

Nur Azreen M., Siju S., Bhuiyan MAR, Wickneswari R

| [Abstract & References](#) | [Full Text PDF](#) (83 KB)| pp. 81 |

Exploiting wild accessions for development of high yielding new rice genotypes

Wickneswari R. and Bhuiyan M.A.R.

| [Abstract & References](#) | [Full Text PDF](#) (71 KB)| pp. 89 |

Molecular characterization of local isolates of infectious bursal disease virus from broiler chickens in Iraq

Mohammed, M.H., Ali, G.H and Hasan, I.I.

| [Abstract & References](#) | [Full Text PDF](#) (451 KB)| pp. 97 |

A first record of gregarious moth pest, *Herpetogramma platycapna* (Meyrick) of fern species, *Angiopteris evecta* (G. Forst.) Hoffm from Malaysia

Ghazali, S. Z., Md-Zain, B. M., Maideen, H., Maimon, A., & Yaakop, S.

| [Abstract & References](#) | [Full Text PDF](#) (338 KB)| pp. 105 |

Ladybird beetles *Adalia bipunctata* L. interaction with Legume bean *Phaseolus* species is dependent on life needs

Rahaman, SK.M. and Aniszewski, T.

| [Abstract & References](#) | [Full Text PDF](#) (675 KB)| pp. 111 |

Systematic significance of stipe anatomy in Peninsular Malaysian *Blechnum* L. (Blechnaceae) species

Noraini, T., Amirul-Aiman, A.J., Jaman, R., Nor-Fairuz, A.R., Maideen, H., Damanhuri, A. and Ruzi, A.R.

| [Abstract & References](#) | [Full Text PDF](#) (756 KB)| pp. 119 |

Ranging behavior of long-tailed Macaques (*Macaca fascicularis*) at the entrance of Kuala Selangor Nature Park

Kamarul H., Ahmad I., Badrul-Munir M. Z, Syaizwan Z. And Aainaa A.

| [Abstract & References](#) | [Full Text PDF](#) (1948 KB)| pp. 129 |
