

Journal of the Malaysian Society of Applied Biology

Zinc status and thresholds for sweetness and saltiness among diabetic and non-diabetic elderly in selected old folks homes in Malaysia

Zalifah, M.K., Suriah, A.R. and Aminah, A.

| [Abstract & References](#) | pp. 1 |

Flavonoid compounds of *Enhalus acoroides* (Hydrocharitaceae)

Umi-Kalsom, Y., Misri, K., Japar, S.B. and Zahrina, M.N.

| [Abstract & References](#) | pp. 9 |

Effect of surfactant and batter mix ratio on the properties of coated poultry product

Yusof, MM. and Kerr, W.L.

| [Abstract & References](#) | pp. 13 |

Survival of young mangosteen in the field in response to shading and water stress

Mohd-Razi, I. and Mohamad, H.A.

| [Abstract & References](#) | pp. 21 |

Water quality of Mahesara Lake in Gorakhpur District

Singh, D. and Deepak, P.K.

| [Abstract & References](#) | pp. 27 |

Effect of duration of two precooling temperatures on subsequent growth and flowering of two selected tulip cultivars

Thohirah, L.A., Johari, E. and Wong, C.C.

| [Abstract & References](#) | pp. 31 |

Morphological and growth characteristics, and somatic incompatibility of Ganoderma from infected oil palm and coconut stumps

Latiffah, Z., Abdullah, F., Tan, S.G., Harikrishna, K. and Ho, Y.W.

| [Abstract & References](#) | pp. 37 |

Genetic diversity in potential seed sources of *Calamus manan* Miq. in Peninsular Malaysia

Wickneswari, R., Siti-Salwana, H., Norwati, M., Nur-Supardi, M.N. and Aminuddin, M.

| [Abstract & References](#) | pp. 49 |

Short Communication

Effect of mode of cultivation and C:N on growth and lipid accumulation in *Mucor circinelloides*

CBS 108.16

Hamid, A.A.

| pp. 59 |

Anti-bacterial activity of *Cymbopogon nardus* (L) rendle extract fractions against *Staphylococcus aureus*

Hanina, M.N., Nurul-Aini, M.N., Nazlina, L, Yahya, M.D., Saziah, A.R., Said, I.M. and Ahmad, I.E.

| pp. 63 |

Mutagenicity of novel ferrocenium compounds

Yahya, M.D., Sarminah, S., Ahmad, I.E. and Bohari, Y.

| pp. 67 |

Twinning in *Scotophilus kuhlii* (Microchiroptera: Vespertilionidae) from Peninsular Malaysia

Wong, C.H., Gee, Y.L., Zubaid, A. and Kamis, A.B.

| pp. 71 |

Uptake of Imazapyr at different growth stages of *Paspalum conjugatum* Berg.

Ipor, I.B.
| pp. 75 |

Mortality of Diamondback moth larvae infected with *Nosema bombycis* Negali
Idris, A.B., Zainal-Abidin, B.A.H., Sajap, A.S., Noran, A.M. and Hussan, A.K.
| pp. 79 |
